

DOUG FORD and
PAUL CALANDRA
ARE TRYING TO
DISMANTLE
PUBLIC EDUCATION.

Conservatives' attacks on public education are harming our students.

On April 29th educators across Ontario will engage in a province-wide Day of Action to stand up for all of our schools.

We are calling on you, Premier Ford, to do the right thing:

- ✓ **Reverse the cuts in all schools across Ontario**
- ✓ **Reduce class size & increase Special Education supports**
- ✓ **Reinstate the Model Schools at the TDSB**
- ✓ **Fund our schools based on actual students' needs**

Join the rally at Premier Ford's Constituency Office
